From the CHAIRMAN'S Desk

Sh. Bharat Gupta

It is a matter of great pride to know that Ganga Technical Campus is launching its placement brochure. I heartily congratulate the Director and Placement team of the Institute who has taken this initiative to launch this brochure.

GTC in its earlier days has marked its presence in the field of not only quality education but also extracurricular activities and also building its name in the terms of better placement. Because of the efforts made by the team members of GTC in the recent year, Ganga Technical Campus has been awarded with the "Young Achiever Award" by the Career Guru for the best placement in the region.

Individuals, who want to be a good engineer and want to play a big role in the world of tomorrow need to acquire a different set of knowledge, attitude and skills.

The unique mission of the Institute is to nurture and train these young buds with the latest skills and knowledge required in the industrial setup. It is a pleasure to say that GTC is on the way to provide high quality in Academics, Research & Placements.

I am proud to say that once our students step in, they step out with the self-confidence and knowledge to face all endeavors with complete practical knowledge.

On behalf of GTC I welcome you to become our partners in sharing our dream, vision and our journey!

*From a sweltering day, to the darkest night,
we continue making headway with all our might
With our never ending ecstasy to transcend,
With our never ending fervour to triumph!*

From the DIRECTOR'S Desk

Prof. (Dr.) Rakesh Rajpal

Beginnings are always difficult and so a good beginning is very important. It is a fact that when we start any task in a good manner, it reaches its heights successfully and same with us. But a lot more is yet to be done for us as sky is the limit for GTCians.

In an era of globalization, innovation is the key to success and it compels us to keep hardworking to compete the standard norms of an international education system. Since the dawn of the 21st Century, the education scenario is going through a change and our youth must be prepared accordingly, so that they can achieve their goals.

The objective of imparting professional education is to give one an understanding of individuals, particularly as to the manner in which they grow and develop physically, mentally, emotionally and socially as everyone has a unique personality.

With an aim to remain quality conscious, we provide students not only technical and corporate training, but also to make them self-confident and even better human beings with the best leadership qualities.

Dear students, you should concentrate on skill education only because when you will be skilled, multiple opportunities will wait for you and automatically packages will be higher.

At GTC, we promise an atmosphere for all the students to achieve the skills which empower them to command, respect and recognition in industry and society at large.

Immense Opinions what
Students Speaks
about GTC

It is an honour to be a part of the prestigious Ganga Technical Campus. I have transformed into a well groomed personality and could excel in academic as well as realistic field. The Academic program has enhanced my understanding and I am sure I will stand in good stead.

STJEU (8 LPA)*

Ganga Technical Campus has given an opportunity to explore the real technical world through seminars, conferences, guest lectures and industrial visits. It has been a great experience being a part of such institution which not only provided us with quality education but also had helped us to groom our personality. I am proud to be a member of GTC family.

Ganga Technical Campus, Soldha helped me to excel in academics as well as gain pragmatic experience through the live project of IIT Bombay. GTC is the best thing that could happen to me; it helped me to understand the industrial expectations.

I can speak with complete confidence that Ganga Technical Campus, Soldha has enriched me by imparting quality education. The institute has helped me understand and realise my true potential and the Industrial exposure has given a new horizon to my understanding of technical field. The competent faculty, placement cell and the top management have given attention to all the students. I am very proud to be a part of GTC, Soldha.

Ganga Technical Campus has proved to be a landmark in my career as my expectations have been fulfilled. The warm and loving environment here, makes me feel comfortable as it is my second home. The dedicated faculty has made me more confident and enriched in my academic arena. The corporate exposure given here has made me realize my career goals and I am geared for my future challenges and opportunities.

Asha Comm. Network
(10 LPA)*

I got placed in Astha Comm. Network, it is because of the efforts put by our faculties and Training and Placement cell, which always make sure that students get placed in the best company in the market. GTC provides a great exposure to students by organizing different activities which are very much helpful for every student for deciding their future field.

Immense Opinions what
Students Speaks
about GTC

GTC is a great institute for those who are serious & passionate about learning. Cultural and Technical Events will help you to learn about managing & executing from concept to delivery and teach you the importance of teamwork.

*Sachin Kumar (Civil)
Orient Structure
(7.2 LPA)*

Every student's dream is to get an opportunity to start their career with well-known MNC, and I got placed in Orient Structure which is Global Civil Engineering based Company. Thanks to Training & Placement department for providing this opportunity. I am looking forward for an excellent career.

My days, at GTC, can be described as 'every penny well spent. I joined GTC because I knew they promise quality & delivered on it. GTC was a fun experience. The best part was the support that I received from the instructors, not just during the course but even after the course was over.

*Nehant Kalia (MBA)
Kotak Life Insurance
(3.5 LPA)*

*Sneha Dey (Civil)
Vansh Constructions
(3 LPA)*

Joining GTC was a life changing decision for me. GTC launched me into this wonderful career that I cherish everyday. The training, I received, was the perfect balance between aesthetics & Technical Knowledge.

No doubt, training at GTC set the foundation for a successful technical career. Studying, at GTC, was a great experience, the teachers and the whole team of GTC are very helpful and supportive.

*Saket Saurabh (Civil)
